What is a school-based health center?

School-based health centers are healthcare clinics based in or near schools that provide comprehensive health services, including primary and mental health care. Georgia had over 120 SBHC's operational in 2024. Dragon Care SBHC will also offer telemedicine.

Is it expensive?
We accept most major insurances, Medicaid, and have a sliding scale for families that qualify.

We provide treatment for:

- Sick visits
- Injuries
- Sports physicals
- Immunizations
- Preventive screenings
- Well-child checks
- Mental Health
- + MORE!

Why should I go to a SBHC?

- SBHC's are convenient.
- It's easy to drop by or make an appointment.
- Parents spend less time away from work.
- Students spend less time away from school, which improves school performance.
- Care is youth centered.
- Services are affordable. Insurance is accepted and a sliding fee scale is available for families that qualify.
